Gaming laptop cooling stand

Keep your laptop performing optimally while gaming for hours, with the Trust Gaming Laptop Cooling Stand. The four illuminated fans can be set to your preferences, from turning them off to cooling on high-speed. And to increase comfort, the cooling stand can be set into three different viewing angles.

Optimal performance

Gaming has a huge impact on the performance of your laptop, many times resulting in overheating. The GXT 278 prevents your laptop from this problem by cooling it with four fans that optimize the airflow. Your laptop temperature stays under control, letting you play your favorite games for hours. Both fan-speed and viewing angle are easily adjustable.
