Stay Connected

With the Trust GXT 212 Mico USB Microphone you can discuss your team's gaming strategy, ask for backup and simply have fun together. You will always be connected with your team during those crucial battles with this high-performing microphone. Or discover your new career as a streamer!

High-level talk

The Mico includes a cable with 3.5mm plug and free USB adapter for high-quality, distortion-free digital audio. Apart from talking to your teammates, this microphone is made for perfect use with Twitch, YouTube or the platform of your choice: everyone will hear you clearly.

Plug & Play

Thanks to the 3.5mm connector and 1.80m USB connector, the Mico Microphone works with any PC or laptop. This microphone does not need to be installed. Simply plug in and you're ready to play!

Stand strong

When recording, you don't have to worry about moving around and knocking over your microphone. The Mico features a tripod stand to secure your microphone for perfect positioning. Adjust the angle and you're perfectly audible for your teammates or everyone else in your worldwide audience.
