

Kensington® SD3600 Universal USB 3.0 Mountable Docking Station

Take Your Dock off the Desktop

K33991WW

Product Description

Preserve the convenience of one-cable connectivity to your entire desktop setup with the SD3600 Universal Docking Station. We all take our laptops to meetings. With a universal dock from Kensington you can disconnect and reconnect your dual HD monitors, mouse, keyboard and all your other peripherals with a single USB cable. Plus, the dock is capable of mounting to the back of a monitor, leaving zero footprint on your desktop.
