Nombre del producto : ProCast Microphone

XLR macho equilibrado de 3 pines, 48 V CC, 3 mA típica, 123 dB

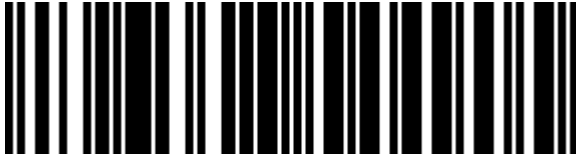

HyperX ProCast Microphone Negro:

Micrófono condensador de grado profesional

El HyperX ProCast es un micrófono condensador de grado profesional con una conexión XLR1 integrada para personas que se ganan la vida con sus voces. Captura más detalles en tus grabaciones gracias a la cápsula grande condensadora de diafragma con pulverización de oro cardioide. El soporte antivibratorio de ProCast incluido y el filtro pop HyperX Shield que se puede poner y sacar trabajan en conjunto para ayudar a reducir los retumbos y tronidos no deseados en las grabaciones. Además, cuenta con un filtro intercambiable de paso alto de 80 Hz y PAD de -10 dB, lo que garantiza aún más que solo estés grabando exactamente lo que deseas en diferentes escenarios. Gracias a que admite roscas de 3/8" y 5/8", el elegante ProCast es compatible con la mayoría de los brazos y soportes, lo que te permite llevar tus entornos de transmisión o grabación al siguiente nivel.

Microphone		Receiver	
Microphone sensitivity	-38 dB	Signal-to-Noise Ratio (SNR)	75 dB
