

# Premade Cable

## VP Cable, BNC (Male to Male) + DC (Male to Female)

Mode

Used in CCTV Camera Systems or closed circuit television, with excellent performance.  
Video with Power, 2 in 1 CCTV Cable (RG59 with 2C power type is available.)

### Cable Construction:

Video Cable: 28AWG Full Copper

Power Cable: 24AWG CCA

### Electrical Characteristic:

Impedance: 50 or 75 +/-2 Ohm

Operating temperature: -20°C + 75°C

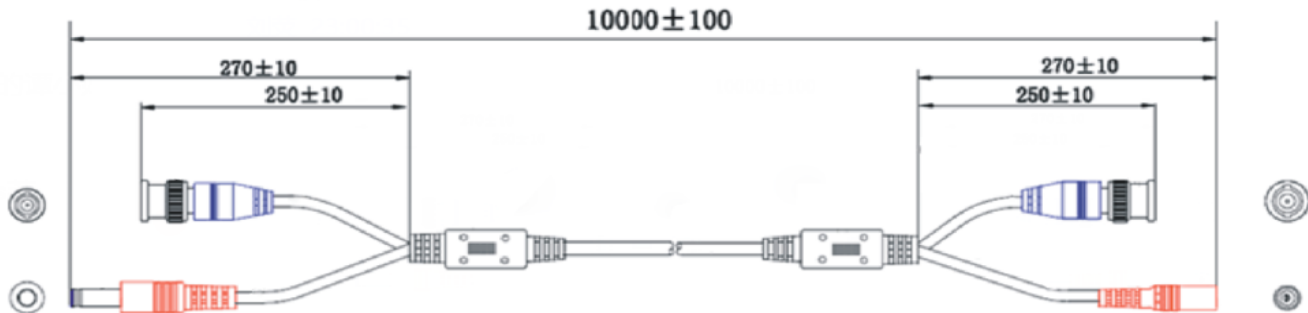

### Connectors:

DC MALE: W-1-004, nickel plating

DC FEMALE: W-1-005, nickel plating

BNC Silver Male: W-1-0016, silver, Zinc alloy shell with nickel plating

### CABLE DRAWING:

### Packing Length:

1. 10M

### Reference Standard:

1. CE
2. RoHS

### Applications:

1. Closed Circuit Television
2. CCTV Cameras

Id No.:WB01-10C
