

## Kingston Technology FURY Renegade RGB módulo de memoria 32 GB 2 x 16 GB DDR5 7200 MT/s

**Marca :** Kingston Technology

**Familia de productos:** FURY

**Código del producto:**  
KF572C38RS AK2-32

**Nombre del producto :** 16GB  
7200MT/s DDR5 CL38 DIMM (Kit de 2) FURY Renegade RGB XMP

- Dinámicos efectos luminosos RGB personalizables\*\*
  - Kingston FURY Infrared Sync Technology™ patentada
  - Diseñada para maximizar el rendimiento
  - Aprovecha el potencial del overclocking extremo
  - Homologación Intel® XMP 3.0
  - Homologada por los principales fabricantes de placas base del mundo\*\*\*
  - Disipador térmico de aluminio de atrevido diseño
- 16GB 7200MT/s DDR5 CL38 DIMM (Kit de 2) FURY Renegade RGB XMP  
Kingston Technology FURY Renegade RGB. Componente para: PC, Memoria interna: 32 GB, Diseño de memoria (módulos x tamaño): 2 x 16 GB, Tipo de memoria interna: DDR5, Factor de forma de memoria: 288-pin DIMM, Latencia CAS: 38

| Características                                       |                           | Características                          |                   |
|-------------------------------------------------------|---------------------------|------------------------------------------|-------------------|
| Tipo de memoria intermedia                            | Unregistered (unbuffered) | Tipo de enfriamiento                     | Disipador térmico |
| ECC en el chip                                        | ✓                         | Placa de plomo                           | Oro               |
| Latencia CAS                                          | 38                        | Retro iluminación                        | ✓                 |
| Memoria interna *                                     | 32 GB                     | Color de luz de fondo                    | Rojo/Verde/Azul   |
| Diseño de memoria (módulos x tamaño) *                | 2 x 16 GB                 | Estándar JEDEC                           | ✓                 |
| Tipo de memoria interna *                             | DDR5                      | Condiciones ambientales                  |                   |
| Rango de transferencia de datos de memoria *          | 7200 MT/s                 | Intervalo de temperatura operativa (T-T) | 0 - 85 °C         |
| Componente para *                                     | PC                        | Intervalo de temperatura de almacenaje   | -55 - 100 °C      |
| Factor de forma de memoria *                          | 288-pin DIMM              | Peso y dimensiones                       |                   |
| ECC *                                                 | ✗                         | Ancho                                    | 7.66 mm           |
| Clasificación de memoria                              | 1                         | Profundidad                              | 133.3 mm          |
| Voltaje de memoria                                    | 1.45 V                    | Altura                                   | 44 mm             |
| Configuración de módulos                              | 2048M x 64                | Peso                                     | 102.38 g          |
| Tiempo de ciclo de fila                               | 48 ns                     | Empaquetado de datos                     |                   |
| Tiempo de actualización de ciclo de fila              | 295 ns                    | Ancho del paquete                        | 129.5 mm          |
| Tiempo activo en fila                                 | 32 ns                     | Largo del paquete                        | 16 mm             |
| Perfil de Memoria Extrema Intel (XMP)                 | ✓                         | Alto del paquete                         | 171.4 mm          |
| Versión del perfil Intel XMP (Extreme Memory Profile) | 3.0                       | Peso del paquete                         | 164.9 g           |
| Perfil SPD                                            | ✓                         | Datos de logística                       |                   |
| Programador de potencia de voltaje (VPP)              | 1.8 V                     | Largo de la caja principal               | 181.6 mm          |
| País de origen                                        | China, Taiwan             | Longitud de la caja principal            | 254 mm            |
|                                                       |                           | Alto de la caja principal                | 147.3 mm          |
|                                                       |                           | Peso de la caja principal                | 2.66 kg           |
|                                                       |                           | Cantidad por caja principal              | 15 pieza(s)       |
