

## TP-Link Tapo C100 Cubo Cámara de seguridad IP Interior 1920 x 1080 Píxeles

**Marca :** TP-Link

**Familia de productos:** Tapo

**Código del producto:** C100 V1

**Nombre del producto :** C100

- Vídeo de Alta Definición: Captura todos los detalles con una definición de 1080p
  - Visualización Nocturna Avanzada: Incluso de noche, ésta cámara proporciona una distancia visual de hasta 9 metros
  - Notificaciones y Detección de Movimiento: Recibe una notificación si algo sospechoso es detectado
  - Alarma de Luz y Sonido: Active efectos de luz y sonido, ahuyentando a cualquier visita no deseada
  - Audio de Doble Vía: Comunícate con los demás gracias al micrófono y altavoz incorporados
  - Almacenamiento Seguro: Soporta tarjeta MicroSD Card (hasta 128 GB)
  - Gestión y Configuración Sencilla - GEstiona todo con la app Tapo
- 1/3.2", 1080p, f=3.3mm, F 2.0, LED IR 850nm, 9m, 2.4 GHz, Wi-Fi 802.11 b/g/n, 150 Mbps

| Performance               |                          | Network                           |                                          |
|---------------------------|--------------------------|-----------------------------------|------------------------------------------|
| Type *                    | IP security camera       | Wi-Fi standards                   | 802.11b, 802.11g, Wi-Fi 4 (802.11n)      |
| Placement supported *     | Indoor                   | Wi-Fi data rate (max)             | 150 Mbit/s                               |
| Connectivity technology * | Wireless                 | Storage                           |                                          |
| Day/night mode            | ✓                        | Card reader integrated            | ✓                                        |
| Operating frequency       | 2400 MHz                 | Compatible memory cards           | MicroSD (TransFlash)                     |
| Certification             | RCC, CE                  | Maximum memory card size          | 128 GB                                   |
| Design                    |                          | Ports & interfaces                |                                          |
| Form factor *             | Cube                     | DC-in jack                        | ✓                                        |
| Product colour *          | White                    | Security                          |                                          |
| LED indicators            | System                   | Video motion detection            | ✓                                        |
| Camera                    |                          | Security algorithms               | 128-bit AES, SSL/TLS, WEP, WPA, WPA2-PSK |
| Field of view (FOV) angle | 105°                     | Privacy protection                | ✓                                        |
| Image sensor              |                          | Management features               |                                          |
| Number of sensors         | 1                        | Reset button                      | ✓                                        |
| Optical sensor size       | 25.4 / 3.2 mm (1 / 3.2") | Power                             |                                          |
| Lens system               |                          | Power source type *               | AC, DC                                   |
| Number of lenses *        | 1                        | AC input voltage                  | 100 - 240 V                              |
| Maximum aperture number   | 2                        | AC input frequency                | 50 - 60 Hz                               |
| Fixed focal length        | 3.3 mm                   | DC output voltage                 | 9                                        |
| Night vision              |                          | DC output current                 | 0.6 A                                    |
| Night vision *            | ✓                        | Operational conditions            |                                          |
| Night vision distance     | 9 m                      | Operating temperature (T-T)       | 0 - 40 °C                                |
| LED type                  | IR                       | Storage temperature (T-T)         | -40 - 70 °C                              |
| Infra-red wavelength      | 850 nm                   | Operating relative humidity (H-H) | 10 - 90%                                 |
| Video                     |                          | Storage relative humidity (H-H)   | 5 - 90%                                  |
| Maximum resolution *      | 1920 x 1080 pixels       |                                   |                                          |

| Video                       |                                                                  | Weight & dimensions     |         |
|-----------------------------|------------------------------------------------------------------|-------------------------|---------|
| Video formats supported     | H.264                                                            | Width                   | 67.6 mm |
| Video compression formats   | H.264                                                            | Depth                   | 54.6 mm |
| Supported video modes       | 1080p                                                            | Height                  | 98.9 mm |
| Frame rate                  | 15 fps                                                           | Packaging data          |         |
| Privacy masking             | ✓                                                                | Package width           | 145 mm  |
| Audio                       |                                                                  | Package depth           | 175 mm  |
| Built-in speaker(s)         | ✓                                                                | Package height          | 64 mm   |
| Audio system                | 2-way                                                            | Package weight          | 240 g   |
| Built-in microphone         | ✓                                                                | Sustainability          |         |
| Network                     |                                                                  | Compliance certificates | RoHS    |
| Ethernet LAN *              | ✗                                                                | Packaging content       |         |
| Networking standards        | IEEE 802.11b, IEEE 802.11g, IEEE 802.11n                         | Number of cameras *     | 1       |
| Supported network protocols | TCP/IP, DHCP, ARP, ICMP ,DNS, NTP, HTTP, HTTPS, UDP, ONVIF, RTSP | Screws included         | ✓       |
| Wi-Fi *                     | ✓                                                                |                         |         |
