

## Schneider Electric LC1D

**Marca :** Schneider Electric

**Código del producto:** LC1D38R7

**Nombre del producto :** LC1D

Schneider Electric LC1D. Número de polos: 3P, Voltaje nominal de aislamiento: 600 V, Voltaje nominal soportado por impulso (Uimp): 6 kV. Ancho: 45 mm, Profundidad: 92 mm, Altura: 85 mm

| Features                               |             | Features                   |             |
|----------------------------------------|-------------|----------------------------|-------------|
| Number of poles                        | 3P          | Storage temperature (T-T)  | -60 - 80 °C |
| Rated insulation voltage               | 600 V       | Maximum operating altitude | 3000 m      |
| Rated impulse withstand voltage (Uimp) | 6 kV        | Weight & dimensions        |             |
| Nominal input voltage                  | 690 V       | Width                      | 45 mm       |
| Input frequency                        | 25 - 400 Hz | Depth                      | 92 mm       |
| Maximum inrush current                 | 50 A        | Height                     | 85 mm       |
| Overvoltage category                   | CAT III     | Weight                     | 380 g       |
| Fire-resistance                        | 850 °C      | Package weight             | 370 g       |
| Mechanical durability (cycles)         | 15000000    | Package depth              | 90 mm       |
| Electrical durability (cycles)         | 1400000     | Package width              | 54 mm       |
|                                        |             | Package height             | 109 mm      |
|                                        |             | Technical details          |             |
|                                        |             | Warranty period            | 1.5 year(s) |
