

Dahua Technology DH-S3024-24GT dispositivo de redes No administrado L2 Gigabit Ethernet (10/100/1000)

Marca : Dahua Technology Código del producto: DH-S3024-24GT

Nombre del producto : DH-S3024-24GT

Dahua Technology DH-S3024-24GT. Tipo de interruptor: No administrado, Capa del interruptor: L2. Puertos tipo básico de conmutación RJ-45 Ethernet: Gigabit Ethernet (10/100/1000), Cantidad de puertos básicos de conmutación RJ-45 Ethernet: 24. Tabla de direcciones MAC: 16000 entradas. Montaje en rack

| Management features                             |                                | Data transmission       |               |
|---|--------------------------------|-------------------------|---------------|
| Switch type *                                   | Unmanaged                      | MAC address table *     | 16000 entries |
| Switch layer                                    | L2                             | Jumbo frames support    | ✓             |
| Ports & interfaces                              |                                | Jumbo frames            | 12000         |
| Basic switching RJ-45 Ethernet ports quantity * | 24                             | Packet buffer memory    | 8.4 MB        |
| Basic switching RJ-45 Ethernet ports type *     | Gigabit Ethernet (10/100/1000) | Design                  |               |
| Gigabit Ethernet (copper) ports quantity        | 24                             | Rack mounting *         | ✓             |
| Network   |                                | Stackable *             | ✓             |
| 10G support *                                   | ✗                              | Power                   |               |
|   |                                | Power source *          | DC            |
|   |                                | Power supply included * | ✓             |
|   |                                | Power consumption (max) | 12.3 W        |
