

## Kingston Technology DataTraveler Locker+ G3 64GB unidad flash USB USB tipo A 3.2 Gen 1 (3.1 Gen 1) Plata

**Marca :** Kingston Technology

**Familia de productos:**  
DataTraveler

**Código del producto:**  
DTLPG3/64GB

**Nombre del producto :**  
Locker+ G3 64GB

64GB 3.0 DTLPG3 w/Hardware encryption, USBtoCloud

Kingston Technology DataTraveler Locker+ G3 64GB unidad flash USB USB tipo A 3.2 Gen 1 (3.1 Gen 1) Plata:

Ponga un candado en sus datos personales con la unidad DataTraveler® Locker+ G3 de Kingston. Es una manera segura y fácil de mantener sus facturas, extractos bancarios u otros documentos confidenciales seguros, gracias a un sistema de cifrado del hardware y protección mediante contraseña que proporciona una doble capa de seguridad de los datos. La unidad se bloquea y reformatea después de 10 intentos fallidos de inicio de sesión, por lo que los usuarios pueden quedarse tranquilos sabiendo que sus datos permanecen seguros incluso si extravían la unidad o son víctima de un hurto. DataTraveler Locker+ G3 ofrece como función optativa la copia de seguridad en la nube.

| Performance                         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | Weight & dimensions         |              |
