

Seagate SkyHawk AI disco duro interno 16 TB 7200 RPM 512 MB  
3.5" Serial ATA III

Marca : Seagate

Familia de productos:  
SkyHawk

Código del producto:  
ST16000VE004

Nombre del producto :  
SkyHawk AI

Seagate SkyHawk AI. Capacidad del HDD: 16 TB, Velocidad de rotación del HDD: 7200 RPM, Tamaño del búfer de la unidad de almacenamiento: 512 MB, Tamaño del HDD: 3.5", Interfaz: Serial ATA III

| Características                                         |                                    | Control de energía                       |             |
|---------------------------------------------------------|------------------------------------|------------------------------------------|-------------|
| Capacidad del HDD *                                     | 16 TB                              | Consumo de energía (inactivo)            | 1 W         |
| Velocidad de rotación del HDD *                         | 7200 RPM                           | Consumo de energía (espera)              | 3.5 W       |
| Tamaño del búfer de la unidad de almacenamiento *       | 512 MB                             | Voltaje de funcionamiento                | 5 / 12 V    |
| Tamaño del HDD *                                        | 3.5"                               | Corriente de arranque                    | 2 A         |
| Interfaz *                                              | Serial ATA III                     | Condiciones ambientales                  |             |
| Tipo *                                                  | Unidad de disco duro               | Intervalo de temperatura operativa (T-T) | 0 - 65 °C   |
| Componente para *                                       | Sistema de vigilancia              | Peso y dimensiones                       |             |
| Velocidad de transferencia de Interfaz del HDD          | 6 Gbit/s                           | Ancho                                    | 101.8 mm    |
| Velocidad de transferencia de impulso sostenido del HDD | 260 MiB/s                          | Altura                                   | 26.1 mm     |
| Tasa de error de bit incorregible (UBER)                | < 1 per 10 <sup>15</sup> bits read | Profundidad                              | 147 mm      |
| Ancho de banda máximo (RV) sensors                      | ✓                                  | Peso                                     | 680 g       |
| Número de canales de AI                                 | 32                                 | Datos de logística                       |             |
| Inciar/detener ciclos                                   | 600000                             | Cantidad por capa de palet               | 8 pieza(s)  |
| Tiempo medio entre fallos                               | 2000000 h                          | Código de Sistema de Armonización (SA)   | 84717050    |
| Control de energía                                      |                                    | Número de cajas de cartón por tarima     | 40 pieza(s) |
| Consumo energético                                      | 7.72 W                             | Cantidad por caja principal              | 20 pieza(s) |
|                                                         |                                    | Otras características                    |             |
|                                                         |                                    | Número máximo de cámaras soportadas      | 64          |
