

## Ugreen 25683B batería externa 20000 mAh Negro

Marca : Ugreen  
Código del producto: 25683B  
Nombre del producto : 25683B

Ugreen 25683B. Capacidad de batería: 20000 mAh, Tecnología de carga rápida: Hisilicon FCP, Power Delivery 2.0, Power Delivery 3.0, Programmable Power Supply (PPS), Quick.... USB A número de salidas: 2, Número de puertos USB Tipo C: 1. Color del producto: Negro

| Diseño                                                     |                                                                                                                            | Puertos e Interfaces                     |               |
|------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------|------------------------------------------|---------------|
| Número de dispositivos conectados simultáneamente (máx.) * | 3                                                                                                                          | Conector de USB tipo C                   | ✓             |
