

# Palm Power, Colorful Choices

## P10050 Power Bank

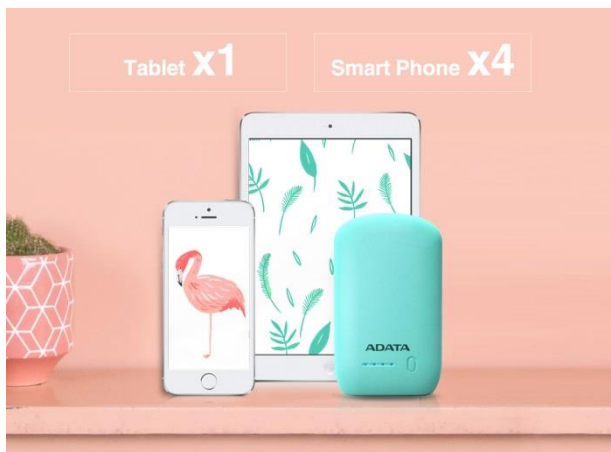

The P10050 comes in six different colors that is a marvel of design with rounded shape and compact. Inside is a 10050mAh power source with two USB ports totaling 2.4A for fast simultaneous top-off of mobile devices. Synced charge/discharge makes this a very fast power bank that saves you precious time and improves overall safety and efficiency.

### Large Capacity

Don't be fooled by the P10050's compact size, it holds enough power to charge a tablet computer all the way to 100% in one go, and can charge a smartphone four times over! Never again worry about running out of power while you're out!

### Dual Outputs, No Waiting

Have you ever had to make the difficult choice of charging your tablet or your phone first? Never fear! The P10050 is equipped with two 2.4A USB output ports, which means you can charge both of your mobile devices at the same time.

### Compact, Delicate, and Chic

The P10050 is designed to be easily portable and aesthetically charming, with its rounded shape and colorful hues. It will brighten up any day and any situation, no matter where you are.

### Multiple Forms of Circuit Protection

Safe operations are guaranteed thanks to the device's protective measures against over-charge, over-discharge, over-heating, short-circuit, and over-voltage in input and output.
